

Sunline Coach Company
Recommended Cleaning Instructions
for the Interior of Your New Sunline

- All Interior Paneling is vinyl coated. Sponge with a warm, mild soap solution. Do not use abrasive cleaners, or any containing chlorine bleach or solvents.
- Carpets are stain resistant. See carpet care guide found in the Sunline Owner's Manual.
- Vinyl flooring is Armstrong brand. See caring for your new vinyl no wax floor guide in manual.
- Countertops are Formica laminate and can withstand many types of common household cleaners.
- Bedspreads and Curtain: Dry cleaning is recommended. If washed, use gentle cycle with cold water and hang to dry. Do not use chlorine bleach.
- Kitchen Sink: See Sink Care and Cleaning instructions in manual.
- ABS Bathtubs & Enclosures: Simply use mild soap and water solution to clean tub surface. **Do Not Use** harsh chemicals, abrasives or citrus based cleaners. Citrus-based cleaners contain the chemical d-limonene, which attacks ABS plastic products. Check cleaning products for ABS plastic compatibility.

Recommended cleaners for the tub/enclosure are as follows:

- Fantastic Spray Cleaner (5% solution)
- Top Job Detergent (3% solution)
- Joy liquid Detergent (5% solution)
- Mineral Spirits
- Gel Gloss
- Do not use gas, chlorine, acetone, kerosene, formula 409 or petroleum based cleaning products.
